

Assembly Instructions

Pluto Mid Sleeper

Important before assembly:

Read these instructions carefully before assembling or using the product.

Please check the contents of the boxes before attempting to assemble this product. The instructions will have a checklist of parts and fittings.

It would be sensible to lay a rug or a carpet on the floor where you intend to assemble the product, to void scratches and damaging the product or the floor.

Assemble the product as close to its intended final location/room as possible.

Do NOT use any power tools as this may damage the frame.

Health & Safety:

This product or some parts of this product will be heavy. Please use an assistant when lifting.

DO NOT jump on the product or any of its parts.

DO NOT use this product if any parts are missing, damaged or worn.

DO NOT use this product unless all fixings are secured.

Please keep small parts out of reach of children.

Always use on a level, even surface.

Please keep these instructions for future reference.

(Not metal)

These tools are not necessary, but may help to assemble certain parts of the product.

Do NOT use any power tools as this may damage the frame.

This product or some parts of this product will be heavy. Please use an assistant when lifting.

Never drag or push the pieces across a hard or stone floor as this will cause damage to the joints. Use a carpet or a rug for extra care.

If you have problems assembling or have damaged or missing pieces, please contact us by visiting:

HARDWARE

PARTS

Important for High Sleepers, Bunk Beds and Children's Beds

Warning:

High sleepers and the upper tier of bunk beds are not suitable for children under 6 years of age due to risk of injury from falls.

High Sleepers and Bunk Beds present a risk of injury from strangulation if used incorrectly. Never attach or hang anything on any part of the bed that is not designed to be used with the bed, for example, but not limited to ropes, strings, cords, hooks, belts and bags.

Children can become trapped between the bed and the wall, a roof pitch, the ceiling and other pieces of furniture (e.g. wardrobes). To avoid risk of serious injury, the distance between the top safety barrier and any adjoining structure shall not exceed 75mm or shall be more than 230mm.

Maximum thickness of a mattress on the top tier is 18cm. Please refer to the label or marking on the headboard.

This bed has been tested by an independent laboratory and is in compliance with BS EN 747-1 : 2012+A1:2015 - Standard Consumer Safety specification for bunk beds & high sleepers.

Safety Advice

Please take the time to carefully read through the whole of these instructions before you commence.

Keep these instructions for future reference.

Unpack, inspect and check off all of the contents.

Please dispose of all packaging safely.

Small component parts could choke a child if swallowed.

We strongly recommend that you keep children well away from the work area.

It would be sensible to lay a sheet or blanket on the floor where you intend to work to avoid scratching this product and to protect your floor.

This product is heavy. Take extreme care when lifting to avoid personal injury or damage to the product.

Assemble the product as close to it's intended final position in the room as possible.

Please check the contents of boxes before attempting to assemble this product. A full checklist of parts and fittings is given in page 3 of this instruction leaflet.

HANDY HINT: If you keep the hardware in a bowl during assembly you will be less likely to lose them.

Do Not Use Power Tools

Attach the centre slat first by pushing the side rails together so that the slat is flush against the side rail, before inserting the screws.

Next attach the remaining slats.
Place the slats onto the side rail supports and distribute evenly by using the spacer provided.

Do Not Use Power Tools

IMPORTANT INFORMATION FOR USE AS A SINGLE BED

WARNING: This bed is not suitable for children under 4 years.

WARNING: Do not place this child's bed near heat sources, windows and other furniture.

WARNING: Do not use this child's bed if any part is broken, torn or missing.

It is recommended that you always follow the manufacturer's instructions to assemble this product.

This product is intended for use by children over 4 years of age.

Children are likely to play, bounce, jump and climb on beds, therefore the child's bed should not be placed too close to other furniture or windows, blind cords, curtain pulls or other strings or cords and should be placed either tight to the wall or have a gap of 300mm between the wall and side of bed.

This bed may not be dismantled for storage or transportation. Replacement parts can be obtained from Julian Bowen Limited where available and at additional cost.

Recommended Mattress Size: 90cm x 190 cm (UK Single) with a depth of no more than 23 cm.

It is necessary to frequently ventilate the room in order to keep the humidity low and to prevent mould in and around the bed.

Please periodically check all the fixings of the item and re-tighten when necessary.

This item conforms to British Safety Standards - BS8509:2008 + A1:2011

Do Not Use Power Tools

Attach the centre slat first by pushing the side rails together so that the slat is flush against the side rail, before inserting the screws.

Next attach the remaining slats.
Place the slats onto the side rail supports and distribute evenly by using the spacer provided.

Do Not Use Power Tools

Please dispose of all packaging safely.

General Care & Maintenance

Wipe clean with a slightly damp cloth.
Avoid the use of all household cleaners and abrasives.

Periodically check all screw & fixings to ensure they are secure.
When moving your product, carefully lift into place. Never drag or push the pieces across the floor as this will cause damage to the joints and could result in failure to the product that will invalidate the warranty.
