ASSEMBLY ADVICE

Please take the time to carefully read through these instructions before you commence.

Keep these instructions for future reference.

We advise that the product is assembled in the room it is intended for.

We advise that you keep the hardware in a bowl during assembly to avoid losing anything.

We strongly recommend that you keep children away from the work area.

Small component parts could choke a child if swallowed.

We recommend you use a sheet or blanket to protect both floor and product through the assembly stages.

Never push or pull the product as this could cause both personal injury or irreparable damage to product or floor.

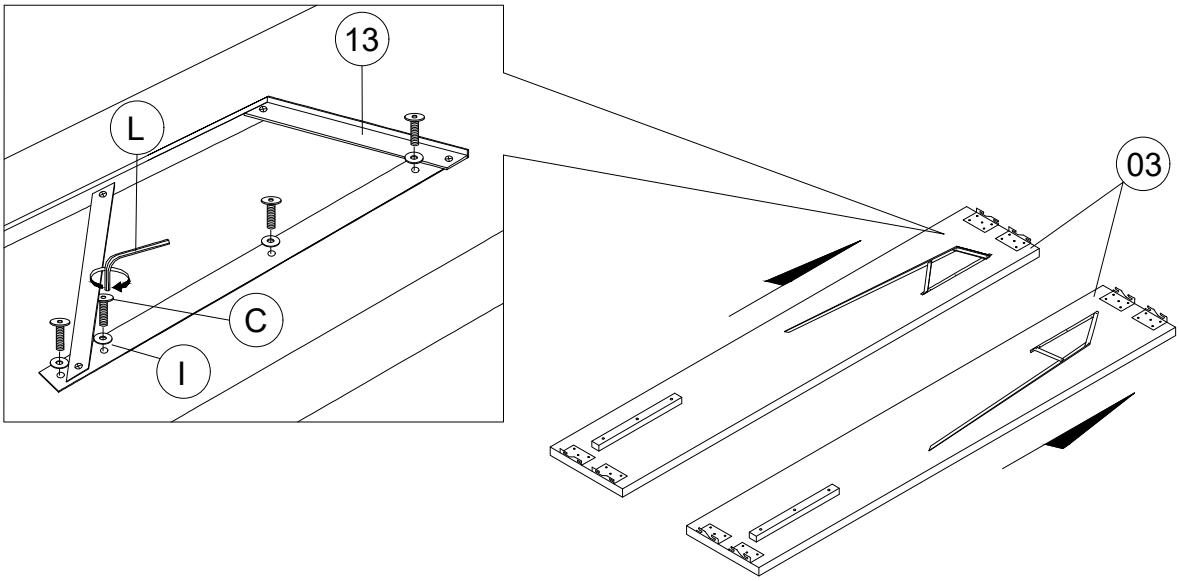
We have tried to make this piece of furniture easy to assemble if the instructions are followed carefully.

In the unlikely event that you have problems with assembling the product or have missing or damaged parts, please contact your retailer and we will assist them in rectifying the problem as quickly as possible.

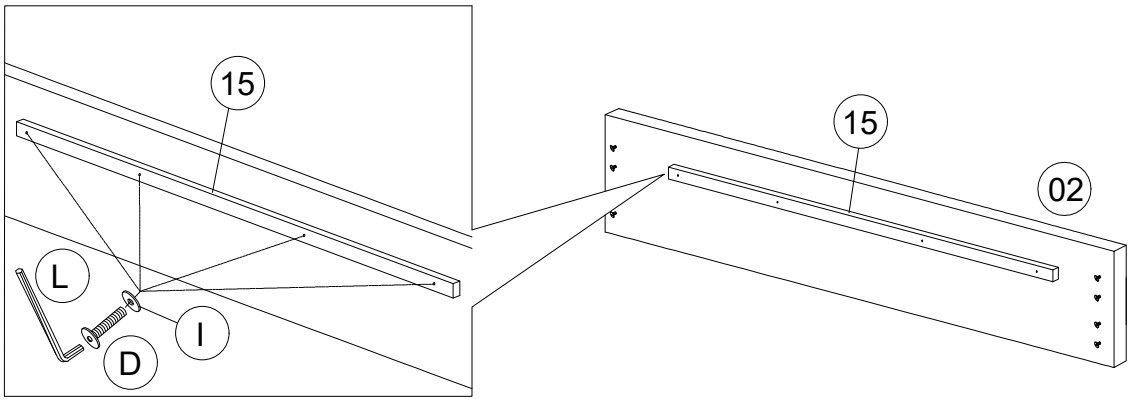
Remember we strongly urge you DO NOT use power tools such as drill or electric screwdrivers as this could cause irreparable damage to your product and will invalidate your warranty.

1

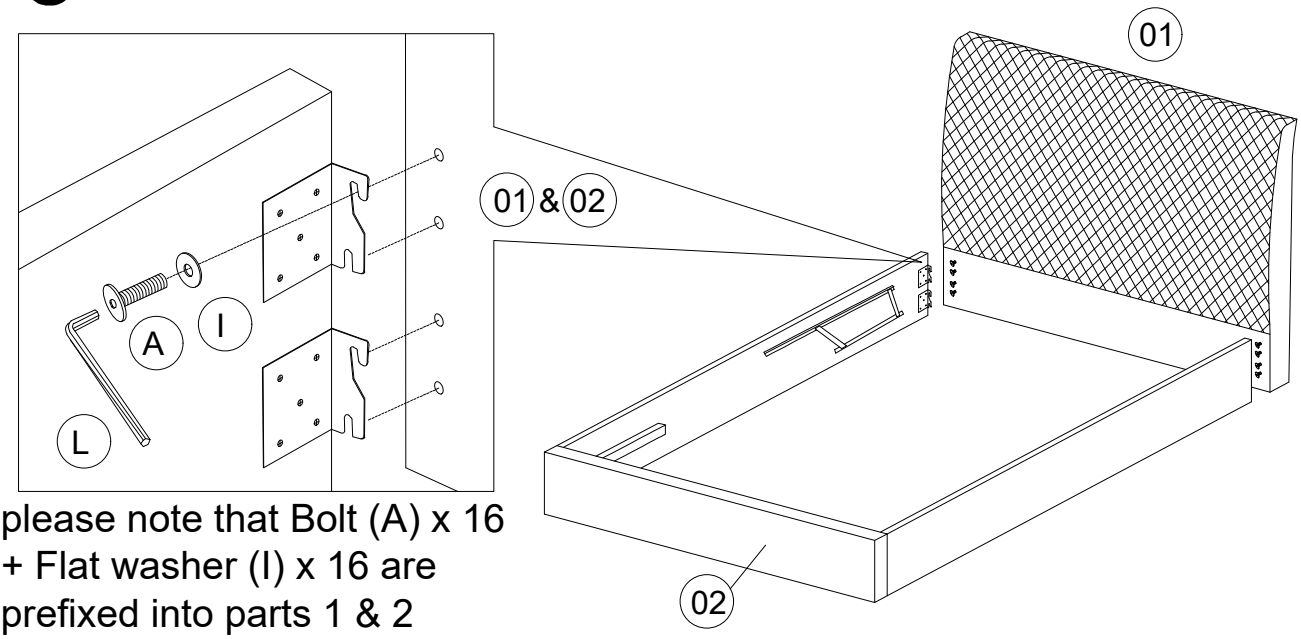
Do not fully tighten the bolts as the brackets may need to be adjusted once the mattress frame is attached.



2



3



please note that Bolt (A) x 16
+ Flat washer (I) x 16 are
prefixed into parts 1 & 2

4

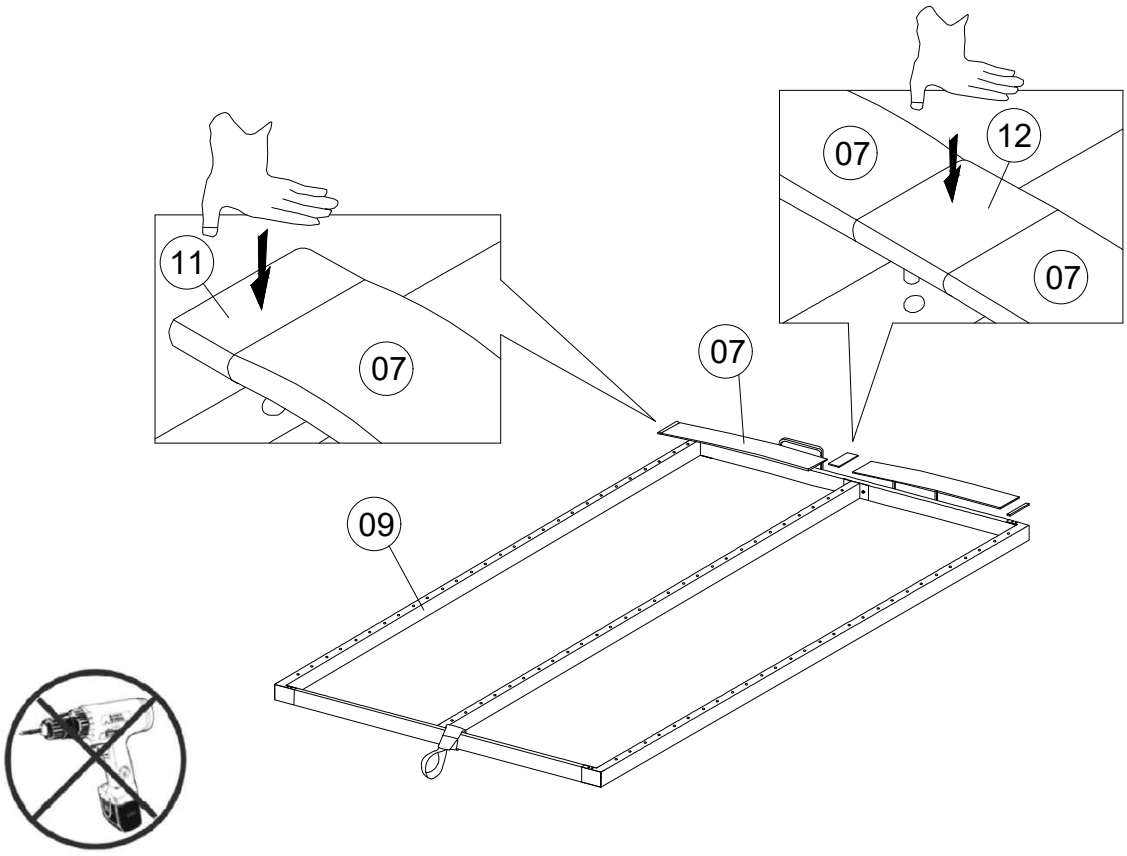
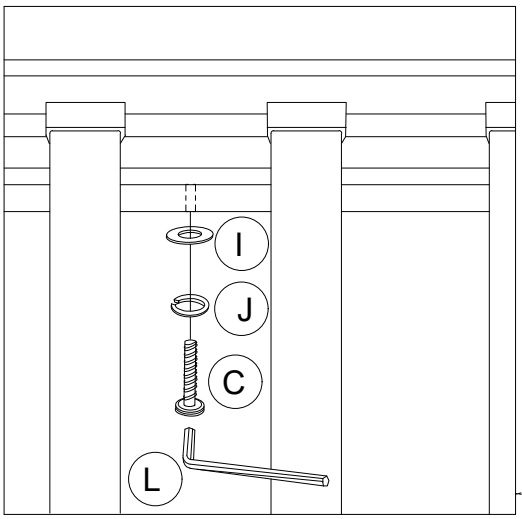
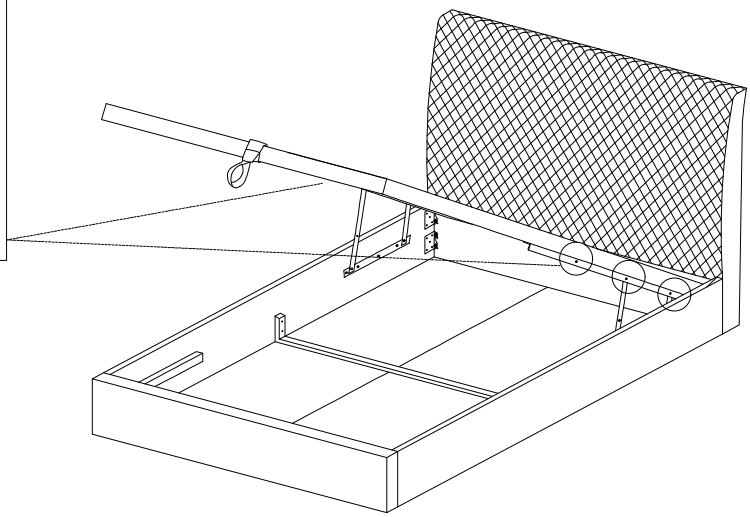
6



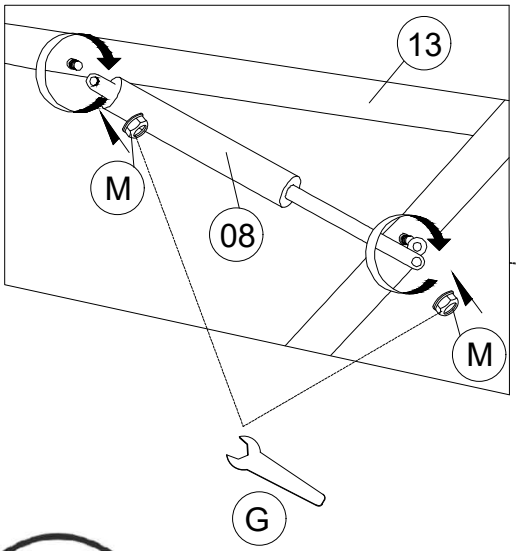
7

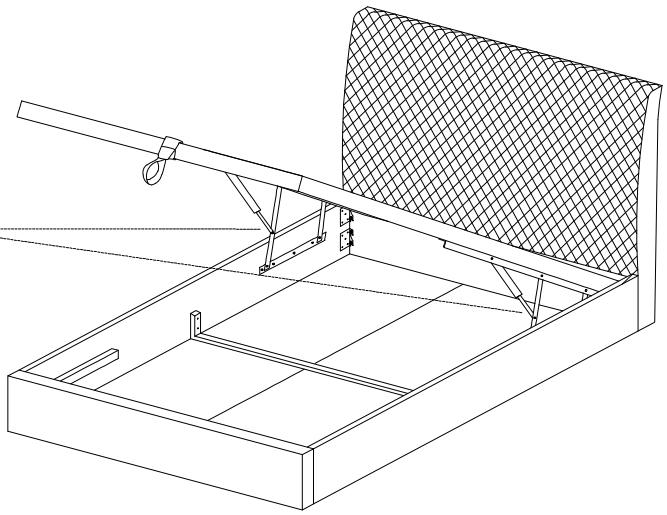


Check that the frame is central by adjusting the alignment of the frame and brackets before fully tightening all bolts. The metal frame should not contact the faux leather at any point.

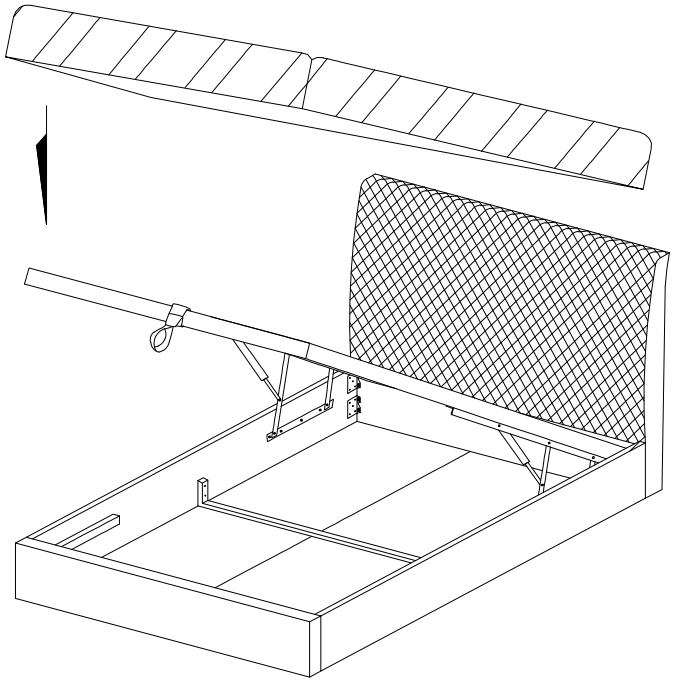


8



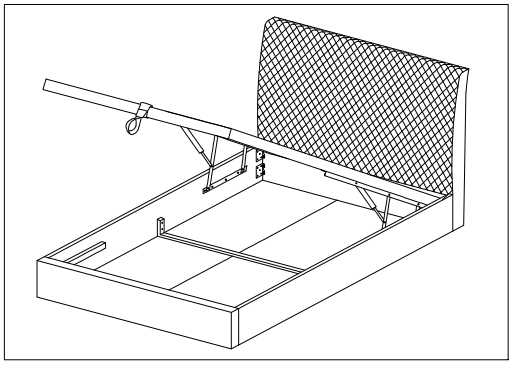


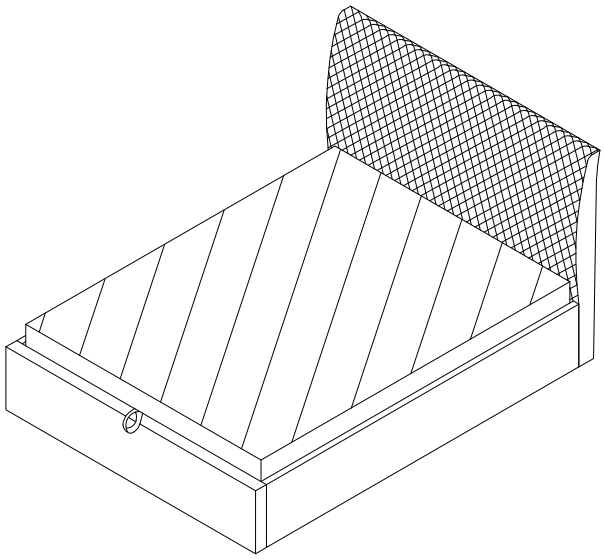
9



Attention :
Place the mattress onto the frame BEFORE closing or this could result in damage to the bed.
(MATTRESS NOT INCLUDED)

10





Note:
It is imperative that the bed is aligned squarely to prevent the frame from catching on and damaging the upholstered side rails.
Please use extra caution when opening and closing the bed for the first few times.
Ensure a similar spacing on each side of the frame.

Please dispose of all packaging safely.

General Care & Maintenance

Wipe clean with a slightly damp cloth.
Avoid the use of all household cleaners and abrasives.

Periodically check all screw & fixings to ensure they are secure.
When moving your product, carefully lift into place. Never drag or push the product across the floor as this will cause damage to the joints. If the product is used on hard flooring, such as wood or laminated floor, you must place some protection under the legs to stop the product from moving. If this is not adhered to, it could result in failure to the product that will invalidate the warranty.
