## General Care & Maintenance

Wipe clean with a slightly damp cloth.  
Avoid the use of all household cleaners and abrasives.

Periodically check all screw & fixings to ensure they are secure.  
When moving your product, carefully lift into place. Never drag or push the product across the floor as this will cause damage to the joints. If the product is used on hard flooring, such as wood or laminated floor, you must place some protection under the legs to stop the product from moving. If this is not adhered to, it could result in failure to the product that will invalidate the warranty.
